

Okay, so the content of this poem is like this...

“村南無限桃花癸
唯我多情獨自來
日暮風吹紅滿地
無人解惜爲誰開”

Beautiful peach flowers are blooming everywhere countlessly to the south of a village.

They attract me a lot and I came here but it seems I am alone here.

Then the sun went down, the wind blew, and the land was filled with red.

Here is nobody who would consider whom the flowers bloom for except me.”
